

## Would you like to Increase your Door Fees and Monthly Revenue?

Touch and Connect Solutions has negotiated new agreements for many of our Clients that have resulted in increases in their Right of Entry (ROE) payments and ongoing revenue opportunities.

Here are a few examples of revenue we have negotiated for our Clients.

Customer	One-time payment for Right of Entry (ROE)	Ongoing Revenue Share	Total Revenue Negotiated
Customer 1	\$460,000	\$337,000	\$797,000
Customer 2	\$59,856	\$1,632	\$61,488
Customer 3	\$152,400		\$152,400
Customer 4	\$39,825	\$12,253	\$52,078
Customer 5	\$74,200		\$74,200
<b>Total</b>			<b>\$1,137,166</b>

### Below are Examples of our Service Successes.

Touch and Connect recently renegotiated the Right of Entry (ROE) Door fee offer for one of our Client's with 2 properties and 1270 units. We were able to get the offer from their Service provider increased from \$50 per door to \$125 per door. This increase of 150%, resulted in over \$152,000 to our Client! Through our Free Audit Program, we were able to reduce the property's expenses by \$32,000 per year.

For another Client with a 322 unit property, Touch and Connect was able to increase the Right of Entry (ROE) Door fee offer from their Telecom provider from \$125 per door to \$225 per door. This increase of 80%, resulted in over \$72,000 to our Client! Through our Free Audit program, we were able to reduce the property's expenses by \$35,000 per year.

For a Client with smaller properties, we were able to renegotiate 13 Right of Entry (ROE) Door fee agreements which netted the client \$62,000 in Door fees while saving them \$56,000 per year in telecom expenses.
